

Joining MAC PAC is easy!

Simply write a check payable to MAC PAC, and send it to MAC by mail or you can donate online. MAC PAC has three donor levels, and membership can be renewed annually.

Those holding a Gold membership will also be listed as a sponsor for all MAC PAC events.

In addition, all members regardless of membership level, will have their names listed in various MAC publications as supporters of MAC PAC.

Memberships

Platinum Members

Platinum Members (donations of \$500.00 or more during the calendar year) receive a platinum lapel pin, free entrance into all PAC events, and listed as a sponsor for all PAC events.

Gold Members

Gold Members (donations of \$250.00 or more during the calendar year) receive a gold lapel pin, free entrance into all PAC events, and listed as a sponsor for all PAC events.

Silver Members

Silver Members (donations of \$100.00 or more during the calendar year) receive notification of PAC events.

Bronze Members

Bronze Members (donations below \$100.00 during the calendar year) receive notification of PAC events.

MAC is your voice in the legislature. It has been very successful over the years lobbying on behalf of county commissioners on a variety of topics, and it continues to represent the voices of 622 commissioners from every corner of Michigan. In this era of legislative term limits, however, it is more difficult to form meaningful relationships with legislators before term limits turn them out.

The MAC Board of Directors for these reasons and in order to help more of MAC's friends in the legislature in a more effective manner, has recognized the need for a strong, active political action committee, the MAC PAC.

What is MAC PAC?

MAC PAC is a political action committee, or PAC. PACs give money to candidates running for elective office. In MAC PAC's case, it will only give money to incumbent state legislators who have a record of being a friend to counties.

By making a donation to MAC PAC, you will become a member of MAC PAC. As a member of MAC PAC you will have the opportunity to meet with legislators on important topics, and attend MAC PAC events and fundraisers with other members from around the state. As a MAC PAC

member you will be a part of our strong grass roots effort, and you can make the opportunity what you wish it to be. You will have access to information, experience, and MAC's knowledgeable staff; the perfect combination to help MAC become an even stronger voice on behalf of your county.

“ MAC PAC is the best way for you to protect your county's best interest in the state legislature.”

MAC PAC is the best way for you to protect your county's best interest in the state legislature. MAC PAC will support legislators

who have a record of protecting local control, supporting full payment for mandated services, and reducing the burden the state has placed on counties. Your contribution will help increase MAC's visibility in the legislature, growing the influence of our already strong organization.

MAC PAC gives you the power to change the way the legislature does business with county government by linking you to the other 622 commissioners in the state, all speaking with one voice across every house and senate district. Your contribution strengthens and amplifies our county voice.

MACPAC
MICHIGAN ASSOCIATION OF COUNTIES POLITICAL ACTION COMMITTEE
